

# NURS 6521 Week 7: Midterm Exam

This week, you will continue working on your Assignment started in Week 6, and you will complete your Midterm Exam.

## Learning Objectives

### Students will:

- Identify key terms, concepts, and principles related to prescribing drugs to treat patient disorders

## Midterm Exam

The Exam covers the content you have explored throughout the first 6 weeks of this course.

This exam is a test of your knowledge in preparation for your certification exam. **No outside resources**—including books, notes, websites, or any other type of resource—are to be used to complete this quiz. You are not allowed to take screenshots or record the exam questions in any other format while taking the exam. You are expected to **comply with Walden University's Code of Conduct**.
